Employment Information

Provide information on your employment history in **Minnesota**. This information will be verified with your employer. Do not include employment history outside of Minnesota.

KEY TERMS:

Benefit year: means the period of 52 calendar weeks beginning the effective date of leave under Minnesota Statute Section 268B.04, except as provided in paragraphs (b) to (d) of Minnesota Statute Section 268.01 Subd. 8 (b) to (d).

Base period: The most recent four quarters in which Wage credits were earned with the current Employer before an employee applies for benefits, as outlined in Minnesota Statute Section 268.01 Subd. 5 (e).

Wages: means all compensation for employment, including commissions; bonuses, awards, and prizes; severance payments; standby pay; vacation and holiday pay; back pay as of the date of payment; tips and gratuities paid to an employee by a customer of an employer and accounted for by the employee to the employer; sickness and accident disability payments, except as otherwise provided in Minnesota Statute Section 268.01 Subd. 29, and the cash value of housing, utilities, meals, exchanges of services, and any other goods and services provided to compensate an employee, except as outlined in Minnesota Statute 268.01 Subd 29 (1) through (17).

Wages does not include: Payments for retirement (such as contributions to a pension, annuity, or 401(a) trust), payments for medical and hospitalization expenses, disability payments, or death benefits that are part of a plan for employees in general, sick pay (paid after six calendar months from the employee's last day of work), the value of a special employee discount for goods or services (if the purchase is optional), reasonable and customary director's fees for individuals who are not otherwise employees, travel and expense reimbursements, payments made by an employer for a domestic or agricultural employee's portion to Social Security tax, and the value of employer-provided parking facilities as outlined in Minnesota Statute Section 268.01 Subd. 29.

Example: Cindy requests MN PFML bonding leave with a leave start date of 02/14/2026. Her benefit year will begin on 02/14/2026. Cindy's base period for reporting wages is the last (4) quarters in which Wages were earned. Based on her start date, the lookback quarters are 1. 01/01/2025 – 03/31/2025 2. 04/1/2025 – 06/31/2025 3. 07/1/2025 – 09/30/2025 4. 10/01/2025-12/31/2025. The gross wages from the highest quarter during these 4 quarters (10/01/2023-09/30/2024) will be used to determine her average weekly wage (AWW).

Cindy's highest quarter earnings during the base period were in Q4 2025 when she earned \$14,000.00, making her AWW \$1,076.92. This AWW will be used to calculate her weekly benefit rate under MN PFML.

13. Give the Name and Details of Your Recent Employer(s):

If you had more than one employer in the base period (the last four calendar quarters in which Wage credits were earned), name all employers. Looking back to the previous 4 calendar quarters prior in which you earned Wage credits, determine the quarter in which your wages were highest, and report that value in the "Gross Wages" column. You may be asked to provide supporting documentation of wages. Average hours and days worked per week is based off your Regular Work Schedule, averaged from the 4 weeks prior to your last day worked before leave.
